SUBANDRIO ASKED TO PROVE CHARGES AGAINST CIA

Kuala Lumpur Domestic Service in English 1100 GMT 26 October 1965--W

(Text) Indonesian First Deputy Prime Minister Dr. Subandrio has been challenged to prove his charges that some anticommunist newspapers in Djakarta are financed by the American Central Intelligence Agency. The challenge was made today by army newspapers which launched a strong attack on Dr. Subandrio. In an apparent political contest against the army, Dr. Subandrio accused some Djakarta papers of receiving money from the CIA. He (?indicated) that the army's anticommunist attitude should not sway Indonesia's leftist policy to the right.

The newspaper API, whose publisher is an army general, said in an editorial that anyone who opposes the Indonesian Communist Party is always accused of being financed by the American CIA. The army organ BERITA YUDHA (several words indistinct) Dr. Subandrio should prove the charges by naming the newspapers involved.
